

Destiny

A girl. It's me.
I live my life from year to year,
Only with myself and my thoughts.
There were a lot of things in the past,
That won't leave me alone.
With forward face
And reluctant soul,
Take my bag and go to school.

Headphones on.
Hands in pockets.
Hood up.
Black clothes like a thief.
Standing at the bus stop.
With the desire,
That everything will get better.

But I fell in love.
I fell in love with a girl.
She has blond hair,
Blue eyes,
Pretty rosy cheeks,
And a big smile
With perfect little dimples.

But this girl loves someone,
But this someone isn't me.
She loves a boy.
And she is extremely happy.
But with the boy,
And not with me.
The pain will go away,
Nothing lasts forever.
