

Wild and free

Just want to be free
Not like a bag in the tea
Free like a dove
Not just sitting on the roof
And not being in the oven
I want to fly

I want to be wild as a horse
Not just standing in the box
Not just going in circles
I want to run wherever I want
Jump over trenches
Taking hurdles

To put it in a nutshell:
I don't want to be a prisoner
I just want to be me
And free
